

ADVANCE  
CARE

**Grow Your Business and  
Improve Your Margins**

# *Introduction*

---

- Advance Care provides an opportunity to offer financing to your patients or customers at no cost to you and no discount to your fee
- No contracts or minimum number of applications are required to participate in the program
- A wide range of credit is accepted allowing you to service more patients and increase your revenue

# *Why Advance Care Card?*

- 100% Payout to the Provider
- High Approval Rate
- No Contract required
- No Sign Up fees to participate
- Paperless process
- No Recourse if patient defaults
- No Pre-Payment Penalties
- Interest Free Periods
- No Punitive Late Fees? Patients only pay interest on remaining balance after interest free period ends

# *Advance Care Care Products*

---

- Advance Care offers revolving credit products provided by leading banks
- Interest free periods are available and include 12 and 6 month programs. The length of the interest free period is determined by the credit history of the applicant
- Instant credit decisions
- Secure on-line, paperless application process

# *How it Works*

---

- Visit us at [www.advancecarecard.com](http://www.advancecarecard.com)
- Select “ Apply Now”
- Choose current credit status from: Excellent, Good and Fair
- You will be directed to the product which best matches your credit situation
- Complete and submit the secure on-line application
- Receive an instant credit decision

# *How You Get Paid*

- Once your patient or customer is approved, they will receive their card within 72 to 96 hours
- Patients or customers simply present the card to you for payment
- You process as a normal credit card transaction simply utilizing your existing merchant processing system
- No additional hardware is required

# *Patient Benefits*

---

- Credit lines from \$500 to \$25,000 are available to the patient
- Interest free periods of 12 or 6 months
- All monies paid during the interest free period are applied directly to the principal allowing the patient to reduce the debt quickly
- The ***remaining*** balance after the interest free period expires is subject interest
- Minimum payments of 2% of the balance are required during the interest free period

# *Patients With Credit Challenges*

---

- Applicants with credit scores below 640, should apply for financing at [www.mymedicalfunding.com](http://www.mymedicalfunding.com)
- This product was developed specifically to help those patients with lower credit scores secure funding
- MyMedicalFunding provides traditional installment loan products which provide a fixed interest rate and term
- Interest rates begin at 6.79%

# *MyMedicalFunding*

---

- Visit [www.mymedicalfunding.com](http://www.mymedicalfunding.com) or follow the link provided on the Advance Care site
- Loan amounts from \$1,000 to \$30,000 are available
- Complete the simple, secure on-line application
- Instant credit decisions are available
- Review and select terms
- Funds are wired to patient within 5 to 7 days

# *Summary*

- Advance Care provides a resource for patients or customers to receive affordable financing with no cost to the provider
- Offering financing products which service a wide range of credit allows you to capitalize on those patient who simply don't qualify for other financing programs
- Patient financing provides an important source of revenue for your practice
